LEGAL & COMPLIANCE CAVEATS:

1. ***Official Issuer Verification Scope:*** *Official issuer verification was not performed. Docusure AI evaluates internal cross-document consistency, cryptographic document structure, and configured rule constraints. This report does NOT constitute an authoritative certificate of document genuineness.*
2. ***Discrepancies vs. Fraud:*** *Flagged inconsistencies indicate information variance or typographical mismatches; they do not constitute definitive proof of fraudulent intent without independent administrative review.*
3. ***Demonstration Rules:*** *Any rules designated as demo rules represent illustrative algorithmic scenarios and are not intended as binding legal regulations.*
