SAMPLE • SYNTHETIC TEST DATA

Scholarship Application Summary

Complete example for testing Docusure AI field extraction and consistency checks

1. Applicant Information

Applicant Full Name	Aarav Sample
Application Reference Number	TEST-APP-1001
Date of Birth	14 February 2005
Email Address	aarav.sample@example.com
Phone Number	00000 00000 (placeholder only)
Residential Address	12 Example Lane, Sample City, Test State, 000000

2. Education Information

Institution Name	Example Technical College (fictional)
Course / Programme	B.Tech Information Technology
Current Year of Study	Third Year
Student Reference Number	TEST-STU-204
Academic Session	2026–2027
Enrollment Status	Currently Enrolled (synthetic test value)

3. Financial Information

Annual Family Income	INR 1,80,000
Income Certificate Reference	TEST-INC-3001
Certificate Issue Date	01 April 2026
Certificate Valid Until	31 March 2027

4. Supporting Documents Checklist

Identity Proof	Included in this synthetic test packet — reference TEST-ID-1001
Address Proof	Included in this synthetic test packet — reference TEST-ADDR-1001
Income Certificate / Proof	Included in this synthetic test packet — reference TEST-INC-3001
Enrollment Letter	Included in this synthetic test packet — reference TEST-ENR-1001

5. Internal Consistency Notes

SAMPLE — FOR WEBSITE TESTING ONLY — NOT AN OFFICIAL DOCUMENT

The synthetic applicant name, application reference, institution, income amount, and certificate references are intended to remain consistent throughout this test document. This file is a single consolidated sample summary, not four separate official supporting documents. Use it to test text extraction and field completeness. If the website requires separate identity, address, income, and enrollment files, upload separate synthetic samples for those document types or configure a test-only rule profile.

Testing disclaimer: All names, institutions, references, and addresses in this file are fictional. This file must not be used as proof of identity, address, income, enrollment, or eligibility.
